3rd Feb 1909

Sir,

I have the honour to acknowledge the receipt of your reminder № 6339, dated 8-1-09, the reply to which is written on the annexed sheet of paper

As regards the course of my studies here, I beg to State that I am working in the Mining Laboratory of the Birmingham University under the Professor of Mining The Subject of my Study is the determination of various characters of Coal of the South Staffordshire Coal field, as we proceed from the South of the field to the north This will have special reference to the Underground fires, so prevalent in this field It would also include a study of the general geology of the above Coal field, as regards which I am getting help from the Professor of Geology This course of Study would enable me to prepare for the degree of Master of Science of the Birmingham University

In addition to this, I have taken up a
